

CTECH Consulting Group can help you change how you work using Microsoft Office 365...

Get work done from anywhere Wherever your people are, online or offline, they can get to—and work with—the most up-to-date versions of the files and tools they need to get things done. And they can do it on virtually any device.

Work better together—simply Office 365 offers business-class email, shared calendars, IM, web conferencing, and access to the most up-to-date documents stored in the cloud. You can work together in real time without compromising security.

...and how you use technology.

Reduce your capital expenditure Office 365 is available as a simple monthly subscription. Avoid large up-front costs for new software while moving the cost of IT from capital to operating expense.

Be always up to date Since Office 365 is in the cloud, it is always up to date. No patches or software upgrades necessary. Microsoft is adding new value and capabilities on a monthly basis.

Cut hardware and energy costs Without servers to run for email, websites, and document storage, you can reduce energy costs and save by no longer purchasing new server hardware.

License per user Simplify licensing while providing each user access to business critical technology on 5 PCs/Macs and 5 mobile devices. Save money when compared to traditional, per device licensing.

Scale your business quickly Office 365 grows with you. Adding a new user is as simple as buying an additional license.

License what you need Office 365 provides many plans to fit the right capability needs and price points for each user in your organization.
